- ✓ 1 week study leave per year
- ✓ List size 12 500
- ✓ Clinical System: SystemOne

We believe in the NHS and that a salaried GP job can still be enjoyed and allow you to be the Doctor you trained to be. We are passionate about delivering high quality patient centred care and we are committed to playing a part in developing the NHS of our future.

As part of this, we regularly have trainees in our practice, GP registrars, F2s, medical students and students from other professions and we work as a team. We meet regularly for clinical meetings and lunch together is prioritised in our day.

Our team structure is designed to allow work to be passed to the most appropriate resource. For example, our nurses fully manage chronic diseases, our pharmacist manages the vast majority of medication reviews, medication queries and re-authorisations and our Advanced Clinical Practitioner is being trained to deal with a range of acute conditions.

If you would like to be a part of this we would love to hear from you. Please contact Stuart Tilley, Business Manager, on 01246 581881 or email [stuart.tilley@nhs.net](mailto:stuart.tilley@nhs.net).
